Ob: To use images/videos to inspire our thinking

What does this picture tell you?

watch x2

Whilst watching, use your wb to note down any questions that you think this clip brings up.

Questions that we might look into.

Is punishment something that should occur?

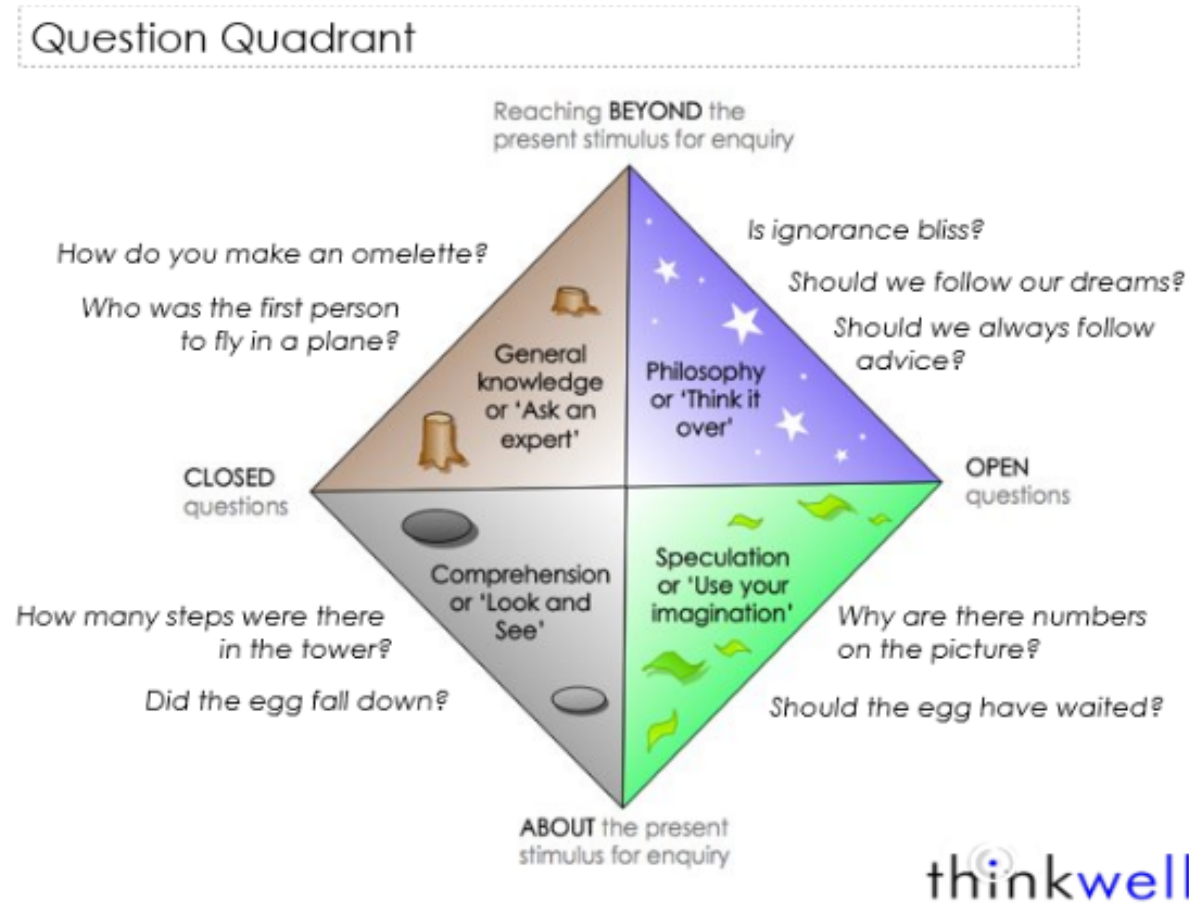

Are instructions always needing to be followed?

Would the pianists always enjoyed themselves if they hadn't have disliked their teacher?

Key question

Is punishment something that should occur?

4 different types of questions:

Which ones have we looked at today?

I want you write an answer to the question we have looked at.
Think about what we have discussed, what you believe and
your future.

Think of an objective that we could use to base our lesson on
